## Mission Statement

The SPCSA sponsors, supports, and oversees dynamic and responsive public charter schools that prepare all students for academic, social, and economic success.

---

## Superintendent's Highlights

The Nevada State Public Charter School Authority (SPCSA) authorizes public charter schools across Nevada and is responsible for the oversight and monitoring of those schools to ensure positive academic outcomes for students and strong stewardship of public dollars. The SPCSA's work is centered on a vision of equitable access to diverse, innovative, and high-quality public schools for every Nevada student.

The SPCSA is comprised of the Authority Board and about twenty-five state employees. In the 2021-22 school year, seventy SPCSA-sponsored charter school campuses combined to serve approximately 55,000 students. In addition to three virtual school programs that serve students statewide, the SPCSA sponsors schools that are located across five of Nevada's counties: Churchill, Clark, Elko, Washoe and White Pine. About two-thirds (66.3 percent) of SPCSA schools had a 4- or 5- star rating in the most recent Nevada school star ratings (Nevada School Performance Framework).

---

## Goals and Objectives

Goal 1: Provide Families with Access to High Quality Schools.

The SPCSA aims for all sponsored schools to meet academic, organizational and financial performance standards.

Five-year goals:

- Improve upon existing strong performance on the Nevada School Performance Framework (NSPF) by achieving 70% four-star or better, 83% three-star or better, no more than 17% two-star, and less than 4% one-star. (Excludes schools rated on the Alternative Performance Framework.)
- Schools demonstrate strong organizational and financial performance with 95% rated as meeting standards on the SPCSA Organizational and Financial Performance Frameworks.

Goal 2: Ensure that Every SPCSA Student Succeeds - Including Those From Historically Underserved Student Groups.

The SPCSA aims for all sponsored schools to demonstrate strong academic growth, high levels of proficiency and on-time graduation across all student groups, including historically underserved student groups.

Five-year goals:

- Increase the percent of schools that demonstrate, for each student group, a median student growth percentile on the 3rd-8th grade state Math and English Language Arts (ELA) assessments that exceeds the respective group's Nevada median student growth percentile.
- For each student group, surpass respective Nevada proficiency rates on the state Math and ELA assessments.
- For each student group, surpass respective Nevada 4-year graduation rates.

Goal 3: Increase the Diversity of Students Served by SPCSA Schools.

The SPCSA aims for sponsored schools to serve a population of students that is representative of the state with regard to

race/ethnicity and additional student groups.

Five-year goals:

- By the 2021-22 school year and thereafter, in newly created SPCSA-sponsored public charter school seats (new schools, new campuses, and expansion of existing schools), enroll English Learners, Students Eligible for Free or Reduced-Price Lunch, and Students with Disabilities at rates that are greater than or equal to the respective Nevada enrollment rates.

- While continuing to serve currently enrolled students, in vacant seats at existing SPCSA-sponsored schools, enroll English Learners, Students Eligible for Free or Reduced-Price Lunch, and Students with Disabilities at rates that are greater than or equal to the respective Nevada enrollment rates.

# 2021-2022 District Accountability Report

Data as of: End of school year

'-' indicates data not presented for groups fewer than 10 in order to protect the student privacy under FERPA.

'N/A' indicates that this population was not present.

'\*\*' indicates that the data was not available.

District totals do not include state or district sponsored charter school data. (2008-Current)

Discipline and Transiency incidents are reported at the school where the action occurred.

Users should note that this data may have been affected by the early closure of school facilities in spring of 2019-20 due to the COVID 19 pandemic. Consequently, results for 2019-20 may not be comparable to previous years.

The USDA extended flexibility to allow free meals to all children for the 2020-21 school year in response to the COVID 19 pandemic.

\*\*The purpose of some alternative programs is to enroll students for a short period of time until they can reenroll in a comprehensive school; therefore, transiency rates may be greater than 100% or N/A. Data reported as of the end of the school year.

## Summary of Standards-Based Test Performance

Nevada uses CRT (Criterion Referenced Test with the new NV Standards, also known as the Smarter Balanced) to measure student achievement relative to Nevada's academic standards. For grade specific assessment results and other assessment information, refer to [www.nevadareportcard.nv.gov](http://www.nevadareportcard.nv.gov).

ED = Percentage of students performing in the lowest range of achievement (Emergent/Developing)

AS = Percentage of students performing in the "Approaches Standards" range of achievement

MS = Percentage of students performing in the "Meets Standards" range of achievement

ES = Percentage of students performing in the highest range of achievement (Exceeds Standards)

Level 1 = The student has not met the achievement standard and needs substantial improvement to demonstrate the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 2 = The student has nearly met the achievement standard and may require further development to demonstrate the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 3 = The student has met the achievement standard and demonstrates progress toward mastery of the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 4 = The student has exceeded the achievement standard and demonstrates advanced progress toward mastery of the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school
